

Thank your interest in signing up for our Points Program!

Please read the following information carefully before filling out the 2022 Points Form.

- All forms & payments should be handled online or mailed to the office prior to racing - this helps with eliminating errors on our end & just makes our lives a lot easier!
- You will NOT receive points or have a pre-printed tech card on points days until the 2022 Points Form is turned in & payment is collected.
- Please print legibly or use the fillable fields on your computer.
- Eliminator = Class Name. I.E: Eliminator #1: Pro, Eliminator #2: Street, Etc.
- Please read grey box below carefully as it regards important payout information.
- If overnight rules are not followed, consequences will be instituted at Track Managements discretion. Consequences could include, but are not limited to, point deductions, racer suspension, and/or privileges in general.
- Please read our updated Racer Handbook.

IMPORTANT NOTE: Your SSAN is required but not asked for in this form. An IRS Form W-9 must be on file in order for you to receive payment of any cash award. In order to receive payment for awards earned on race day the top and bottom of the tech card MUST be completely filled out and signed each race day. If it is not there will be a delay in processing your cash award. No payments will be made until the completed tech card is submitted. The annual points registration fee for each category you are competing in for points must be paid prior to the first round of eliminations before you can earn points. No points will be awarded until you have enrolled in the points program. Forms may be mailed to the office or brought to the Credentials Building on race day. All new registrations must be accompanied by payment in full. This fee allows you to earn points in one eliminator only. Separate forms and fees are required for additional eliminators. Registration fees may be paid by credit card through our online store, however you MUST provide a completed points registration form. You may also provide payment over the phone or by stopping in the office on non-race days.
