

## 2023 RACER PARKING APPLICATION & PARKING POLICY

### - General Pit Parking -

New England Dragway racers may leave their race vehicle inside the facility during the week under the following provisions outlined below. Failure to comply with these provisions may result in the vehicle being towed from the facility at the owner's expense, loss of parking privileges, and other disciplinary actions deemed appropriate by track officials.

#### Please Respect The Following Rules:

1. All RV's, race vehicles, or trailers that will remain on the property must be parked in the upper pit area.
2. All trailers will be parked at least 25 feet away from the pro car asphalt area. ***In general, no vehicle may be left on any paved lower pit area, or in the fenced in grass area commonly known as the car show area during the week.***
3. The competition number of the vehicle as well as a Pit Parking Permit must be clearly displayed on any trailer or vehicle left inside the facility.
4. No vehicle may be left on New England Dragway property unless a parking policy acknowledgment form has been signed and is on file for the current season. This provision includes, but is not limited to race cars, trailers, RV's, two or three or four-wheeled pit/tow vehicles, and golf carts. No chairs, couches, tables, etc. are allowed to be left on the property unless it is secured inside an enclosed trailer and must not be visible Monday-Friday.
5. The saving of pit spaces is not permitted. All pit parking is on a first come, first served basis. If, in the opinion of New England Dragway officials a vehicle is occupying more than a reasonable amount of pit space for their vehicle, they may require that vehicle to be relocated.
6. At the conclusion of the race season all vehicles must be removed from the property no later than the last scheduled race day on **October 29, 2023**. New England Dragway, Inc. accepts no responsibility for the security or safekeeping of any vehicle, or personal property left on its property.
7. **Due to continued hardships regarding personal property left on NED grounds all individuals will now be required to pay a \$10 fee, as well as acquire and display a parking pass, prior to parking.
